

@ NC FOR THE WEEK OF MAY 9, 2021

Sunday Recap...

Mark spoke on Luke 9 and the sending out of the 12. He talked about how the disciples were sent out, without fully knowing the whole story, without taking anything with them, but with the power of the Spirit-and that was enough. He talked about our role as being disciples who listen well to the Spirit, obey, and do so with boldness. The results are His.

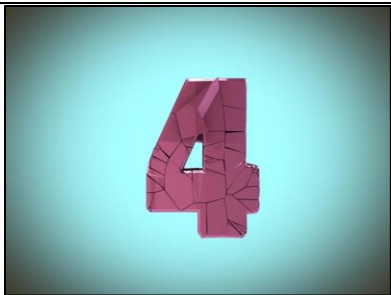

Practice this week:

Listen well to what the Spirit is telling you to do and obey.

Prayer Focus this week:

Pray that we will be mindful of the power of the Spirit that is in all believers, *not* just the disciples in this specific time.

Scripture Memory this week:

Luke 9:1-2

“When Jesus had called the Twelve together, he gave them power and authority to drive out all demons and to cure diseases, 2 and he sent them out to proclaim the kingdom of God and to heal the sick.”

Upcoming event(s):

Neighborhood Church is planning a prayer walk with this Sunday, and movie nights for our community. More details coming. Pray who you could invite!
