@ NC FOR THE WEEK OF APRIL 18, 2021

Sunday Recap...

Dan spoke on Matthew 6:25-34 on replacing worry. We learned ways we can turn worry and anxiety back into meaningful worship and thankfulness to God. We have a Father who cares about us and will provide all we need.

Practice this week:

DO NOT WORRY! That is a tough goal to practice this week, but if you find yourself in a moment of worry, bring it before the altar of the Lord and allow Him to carry that burden.

Prayer Focus this week:

We are supporting Algo Mas Church in El Paso, TX with some financial needs. Please pray for the Lord to bless them and their outreach in the cities in Texas and across the border in Mexico. <https://www.algommas.cc/>

Scripture Memory this week:

Matthew 6:33 ESV

But seek first the kingdom of God and His righteousness, and all these things will be added to you.

Upcoming event(s):

We are going to do a PRAYER Walk on April 25th. Come out and join us!!!
