

@ NC FOR THE WEEK OF FEBRUARY 21, 2021

Sunday Recap...

Pastor Mark spoke on the importance of true fellowship with other believers. We are called to not forsake the assembly of ourselves. We need to live life together: the struggles, accomplishments, failures, and successes. Hebrews 10:25

Practice this week:

We have been discussing the Navigator's wheel over the last few weeks. Is the wheel, but more importantly its components, a part of your daily walk with Christ?' Do you have the vertical connection to God through prayer and His Word. Do you have this horizontal connection with God through fellowship and witnessing?

Prayer Focus this week:

We have been talking about our "ONE". Our "ONE" is that person we believe God has laid on our heart to reach out to share the gospel. We are praying for that person this week by name or that God would reveal that person to us. This is how we multiply, ONE by ONE!

Scripture Memory this week:

24 And let us consider how to stir up one another to love and good works, 25 not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.~ Hebrews 10:24-25 (ESV)

Upcoming event(s):

We are collecting baby wipes and disinfectant wipes for our local Community Crisis Center. These items are always in high demand. Check out the flyer on our website for more details.
